

Annual Report-2011.

It is said that greatest discovery of this generation its openness to unlimited knowledge and a positive attitude of life and possibilities:

The academic year – 2011 began with the theme ‘knowledge liberates` basing ourselves on the lines of the motto of the school `Educating heart and mind’. The school reached the strength of 350 students hailing from different backgrounds, ethnic origins and cultures. The Classes reached up to std.IV, each class having an average of 50 students. The young and active students are accompanied by 12 competent and trained staff. In order to facilitate better training and classroom management the staff was given two full day seminar on the 08 and 09 February 2011 by Global Classroom Management group, Shillong . Moreover two of our staff members attended on –the- job training programme for 15 days at Holy Cross School Panisagar organized by Global Class Room Management – Ireland.

Academic Excellence: The academic year 2011 was divided into three semesters each with respective syllabus determined at the beginning of the year, each semester ending with a competent evaluation system. The students are found to be active, studious, and ready to learn new things.

Extra – curricular Activities: The school curriculum facilitates for overall personal development of a student. On Wednesdays inter house competition are conducted indoor as well as outdoor. Creativity classes on Fridays help the students to bring out their skills and talents like singing, craft-making, designing etc. Occasional celebrations like Independence Day, Republic Day, Birthdays, Feast days etc. provide the students with a higher stage and boosted their confidence.

Outreach Programme: April 2 2011 the students’ representative as well as the staff visited the Reang migrants, victims of fire accident at Gochirampara, kanchanpur district and extended our assistance to them. The children also participate in the `Shishumela” held at Kumarghat. It was also an opportunity for the students to bring forth their talents. The School organized a cleanliness drive campaign as part of educating oneself in keeping our surroundings clean and neat.

Celebrations: The school celebrated` vanamahotsave` in the month of July 2011 by planting trees as part of making our surroundings green. The school also celebrated ` National Education Day` on the 14 November 2011 and joined the national moment ` Sarva Shiksha Abhiyan`. On the same day many competitions were held so as to conscientise the students on their right to Education and equal opportunities to all .On the 08 of September the school celebrated the Girl child day as a part of awareness about the gender equality and equality of opportunity .

Dear parents, our school is young with just with 4 years of history yet I believe that it has a great future in the hands of active, young, innocent and promising children who could contribute to the society immensely. Finally, I would like to state that our school is growing , we know that our students are still small yet they have immense potentiality, they have tremendous energy and plenty of creativity. I am sure one day we will make a difference. I am grateful to all of you for your good co-operation and support.

Thank – you and have a nice day .
