Peace Building & Conflict Resolution Skills

One day workshop was organized at JUST, Agartala on 23.4.22. Two animators and twelve students participated from our school. “PEACE BUILDING SKILLS” was the seminar given to the animators and “CONFLICT RESOLUTION SKILLS” for our students who are part of the peace club. During this seminar themes like COMMUNITY BUILDING, COUNSELING AND DRUGS ABUSE were discussed. Everyone found it very useful and enlightening.

As Sir. Francis shares that “Fr. Pappy Valan csc, highlighted on TEAM BUILDING/WORK by letting the animators form into five different groups. Animators were shown pictures of a tree and a scenery where each one had to observe and draw in seconds. Sketches of different pictures cut off into pieces which were arranged by each group. Exercises on keeping eggs on the floor, breaking the balloons were played. Father also focused on unity, fraternity and brotherhood; selflessness, sacrifice and sociability in his teaching. Animators participated with great zeal and enthusiasm. After the lunch, Fr. Pappy Valan csc in his session explained the importance of LIVING IN THE PRESENT and not much focus on the past and future. ‘Living one day at a time’ must be practiced by all. He also highlighted upon one’s PERSONALITY - ‘A rolling stone gathers no moss’. One must be like a stone that rolls so that criticisms and hatreds would easily be dissolved.”

A special word of Thanks and Appreciation to the Co-coordinators Sir. Francis and Ms. Regina.
